

VE Char-Matt

Premium Bonded Fibre Matrix with Biochar

2026

Gulf Elite Chemicals Factory

Exclusive Gulf partner for Vital Chemical - 50 years of Australian innovation

SAUDI MADE

1. Product Overview

Product: VE Char-Matt

Distributed by: Gulf Elite Chemicals Factory

Manufactured by: Vital Chemical (Australia)

Category: Revegetation

Vital VE Char-Matt is a Premium Bonded Fibre Matrix hydromulching product with Biochar blend, specifically designed for nutrient-depleted soils. It creates a carbon-rich environment that supports root structure development and encourages thriving ecosystems.

Key Features:

- Premium Bonded Fibre Matrix hydromulching with Biochar blend
- Advanced soil improvement technology
- Enhanced erosion control with biochar
- Superior soil amendment and building
- Supports root structure development
- Encourages thriving ecosystems
- Optimised for rapid hydraulic application

Applications:

- Nutrient-depleted soil rehabilitation
- Mining site restoration
- Infrastructure development revegetation
- Slope and embankment rehabilitation
- Environmental remediation projects

Safety & Handling

This product is formulated by Vital Chemical (Australia) and distributed exclusively in the Gulf region by Gulf Elite Chemicals Factory. Please follow all safety guidelines and use appropriate personal protective equipment (PPE) during handling and application.

- Wear appropriate PPE: gloves, safety goggles, protective clothing
- Store in cool, dry place away from direct sunlight
- Keep containers sealed when not in use
- Refer to product-specific MSDS for detailed safety information
