Professional Concrete Truck Cleaning

2026

Gulf Elite Chemicals Factory

Exclusive Gulf partner for Vital Chemical - 50 years of Australian innovation

SAUDI MADE

1. Product Overview

Product: Vital AC7 Truck Wash

Distributed by: Gulf Elite Chemicals Factory

Manufactured by: Vital Chemical (Australia)

Category: Concrete Removal

Vital AC7 Truck Wash is a professional-grade cleaning solution specifically formulated for cleaning agitator bowls, concrete trucks, and related equipment. It provides efficient concrete removal while being safer than traditional acid-based cleaners.

Key Features:

- Specifically formulated for concrete truck cleaning
- Effective on agitator bowls and drums
- Professional-grade cleaning performance
- Safer alternative to hydrochloric acid
- Easy application process
- Protects equipment during cleaning

Applications:

- Agitator bowl cleaning
- Concrete truck drum washing
- Concrete pump equipment cleaning
- Mixer truck maintenance
- Ready-mix fleet cleaning operations

Safety & Handling

This product is formulated by Vital Chemical (Australia) and distributed exclusively in the Gulf region by Gulf Elite Chemicals Factory. Please follow all safety guidelines and use appropriate personal protective equipment (PPE) during handling and application.

- Wear appropriate PPE: gloves, safety goggles, protective clothing
- Store in cool, dry place away from direct sunlight
- Keep containers sealed when not in use
- Refer to product-specific MSDS for detailed safety information
