

Vital Bon-Matt CDS 300

Superior Mineral Dust Control

2026

Gulf Elite Chemicals Factory

Exclusive Gulf partner for Vital Chemical - 50 years of Australian innovation

SAUDI MADE

1. Product Overview

Product: Vital Bon-Matt CDS 300

Distributed by: Gulf Elite Chemicals Factory

Manufactured by: Vital Chemical (Australia)

Category: Erosion Control & Dust Suppression

Vital Bon-Matt CDS 300 is a natural polymer formulation designed for superior mineral dust control in high-wind environments. Certified non-hazardous, it provides instant stabilisation and is suitable for sensitive agricultural and industrial applications.

Key Features:

- Natural polymer formulation
- Instant stabilisation
- Certified non-hazardous
- Suitable for sensitive agricultural and industrial applications
- Superior performance in high-wind environments

Applications:

- Resource Stockpiles (coal, iron ore, bauxite)
- Wind Exposure areas
- Wagon Veneering (train transport)
- Sub-base Roads
- Hazardous Isolation
- Short-term Batters (embankments)

Safety & Handling

This product is formulated by Vital Chemical (Australia) and distributed exclusively in the Gulf region by Gulf Elite Chemicals Factory. Please follow all safety guidelines and use appropriate personal protective equipment (PPE) during handling and application.

- Wear appropriate PPE: gloves, safety goggles, protective clothing
- Store in cool, dry place away from direct sunlight
- Keep containers sealed when not in use
- Refer to product-specific MSDS for detailed safety information

Partnership & Distribution

Gulf Elite is the exclusive Gulf partner for Vital Chemical, bringing 50 years of Australian innovation to the region. All Vital Chemical products are backed by extensive research and field testing across global markets.
