Heavy Road - Heavy Duty Dust Control

2026

Gulf Elite Chemicals Factory

Exclusive Gulf partner for Vital Chemical - 50 years of Australian innovation

SAUDI MADE

1. Product Overview

Product: Vital Bon-Matt S-600

Distributed by: Gulf Elite Chemicals Factory

Manufactured by: Vital Chemical (Australia)

Category: Erosion Control & Dust Suppression

Vital Bon-Matt S-600 (HR - Heavy Road) is a heavy duty, robust and concentrated formulation designed for all unsealed roads, high traffic access roads, hardstand and laydown areas. It provides highly efficient dust control with long-term cost savings.

Key Features:

- Heavy duty, robust and concentrated formulation
- Highly efficient dust control
- Long-term cost savings
- Improved visibility and safety
- Reduced water cart usage
- Significant water savings
- Increased surface longevity
- Durable, long lasting stabilisation

Applications:

- All unsealed roads
- High traffic access roads
- Hardstand and laydown areas
- Mining haul roads
- Industrial site access routes

Safety & Handling

This product is formulated by Vital Chemical (Australia) and distributed exclusively in the Gulf region by Gulf Elite Chemicals Factory. Please follow all safety guidelines and use appropriate personal protective equipment (PPE) during handling and application.

- Wear appropriate PPE: gloves, safety goggles, protective clothing
- Store in cool, dry place away from direct sunlight
- Keep containers sealed when not in use
- Refer to product-specific MSDS for detailed safety information
