

Vital Flo-Chem Thick

Concrete Removal with Rust Guard

2026

Gulf Elite Chemicals Factory

Exclusive Gulf partner for Vital Chemical - 50 years of Australian innovation

SAUDI MADE

1. Product Overview

Product: Vital Flo-Chem Thick

Distributed by: Gulf Elite Chemicals Factory

Manufactured by: Vital Chemical (Australia)

Category: Concrete Removal

Vital Flo-Chem (Thick with Rust Guard) is a safer and more effective alternative to traditional hydrochloric acid for concrete removal. It incorporates corrosion inhibitors to protect steel and iron surfaces during the cleaning process.

Key Features:

- Safer than traditional hydrochloric acid methods
- More effective concrete removal performance
- Contains corrosion inhibitors for steel protection (Rust Guard)
- Easy to use formulation
- Thick formula for vertical surface application
- Protects iron and steel from damage during cleaning

Applications:

- Concrete mixer and agitator bowl cleaning
- Equipment and machinery concrete removal
- Construction tool maintenance
- Precast concrete form cleaning
- Steel reinforcement bar cleaning

Safety & Handling

This product is formulated by Vital Chemical (Australia) and distributed exclusively in the Gulf region by Gulf Elite Chemicals Factory. Please follow all safety guidelines and use appropriate personal protective equipment (PPE) during handling and application.

- Wear appropriate PPE: gloves, safety goggles, protective clothing
- Store in cool, dry place away from direct sunlight
- Keep containers sealed when not in use
- Refer to product-specific MSDS for detailed safety information

Partnership & Distribution

Gulf Elite is the exclusive Gulf partner for Vital Chemical, bringing 50 years of Australian innovation to the region. All Vital Chemical products are backed by extensive research and field testing across global markets.
