

Vital Strike

Soil Stabilisation + Nutrient Supply

2026

Gulf Elite Chemicals Factory

Exclusive Gulf partner for Vital Chemical - 50 years of Australian innovation

SAUDI MADE

1. Product Overview

Product: Vital Strike

Distributed by: Gulf Elite Chemicals Factory

Manufactured by: Vital Chemical (Australia)

Category: Revegetation

Vital Strike combines soil stabilisation with efficient nutrient supply through a unique chelating delivery system for optimum nutritional uptake. It serves as a simple application for seeded areas and can be used as a hydroseed alternative.

Key Features:

- Soil stabilisation + efficient nutrient supply in one product
- Unique chelating delivery system for optimum nutritional uptake
- Simple application for seeded areas
- Hydroseed alternative (can combine with seed)
- Reduces dust and erosion
- Fertiliser infused for faster vegetation
- Increases moisture retention, reduces weeds
- Supports healthy root growth

Applications:

- Seeded area stabilisation
- Revegetation projects
- Erosion control with nutrient delivery
- Mining and construction site rehabilitation
- Roadside vegetation establishment

Safety & Handling

This product is formulated by Vital Chemical (Australia) and distributed exclusively in the Gulf region by Gulf Elite Chemicals Factory. Please follow all safety guidelines and use appropriate personal protective equipment (PPE) during handling and application.

- Wear appropriate PPE: gloves, safety goggles, protective clothing
- Store in cool, dry place away from direct sunlight
- Keep containers sealed when not in use
- Refer to product-specific MSDS for detailed safety information
