

Vital Super Clear Extra

Eco-Friendly Bio-Polymer Flocculant & Coagulant

2026

Gulf Elite Chemicals Factory

Exclusive Gulf partner for Vital Chemical - 50 years of Australian innovation

SAUDI MADE

1. Product Overview

Product: Vital Super Clear Extra

Distributed by: Gulf Elite Chemicals Factory

Manufactured by: Vital Chemical (Australia)

Category: Water Treatment

Vital Super Clear Extra is an eco-friendly bio-polymer flocculant and coagulant that is up to 3x more efficient than standard treatments. It delivers rapid turbidity reduction with stable pH performance and is sulphate-free.

Key Features:

- Eco-friendly bio-polymer flocculant and coagulant
- Up to 3x more efficient than standard treatments
- Rapid turbidity reduction
- Stable pH performance
- Sulphate-free
- Advanced formulation for demanding applications

Applications:

- High-turbidity water treatment
- Construction and mining site water management
- Industrial process water treatment
- Environmental compliance applications
- Stormwater quality improvement

Safety & Handling

This product is formulated by Vital Chemical (Australia) and distributed exclusively in the Gulf region by Gulf Elite Chemicals Factory. Please follow all safety guidelines and use appropriate personal protective equipment (PPE) during handling and application.

- Wear appropriate PPE: gloves, safety goggles, protective clothing
- Store in cool, dry place away from direct sunlight
- Keep containers sealed when not in use
- Refer to product-specific MSDS for detailed safety information

Partnership & Distribution

Gulf Elite is the exclusive Gulf partner for Vital Chemical, bringing 50 years of Australian innovation to the region. All Vital Chemical products are backed by extensive research and field testing across global markets.
