

# Vital Super Clear

High-Strength Industrial Water Treatment

2026

Gulf Elite Chemicals Factory

*Exclusive Gulf partner for Vital Chemical - 50 years of Australian innovation*

**SAUDI MADE**

## 1. Product Overview

**Product: Vital Super Clear**

**Distributed by: Gulf Elite Chemicals Factory**

**Manufactured by: Vital Chemical (Australia)**

**Category: Water Treatment**

Vital Super Clear is a high-strength industrial water treatment product designed to neutralize fine colloidal clay particles and prevent pollutants entering waterways. Its liquid formula eliminates dust issues associated with powder treatments.

**Key Features:**

- High strength, low dosing rates
- Liquid formula, no dust
- Manual or automated dosing compatible
- pH balanced (6-9 range)
- Low aluminium residuals
- Non-hazardous, no harmful sulphates

**Applications:**

- Construction site stormwater management
- Mining water treatment
- Industrial wastewater treatment
- Colloidal clay particle neutralization
- Environmental compliance water treatment

## Safety & Handling

This product is formulated by Vital Chemical (Australia) and distributed exclusively in the Gulf region by Gulf Elite Chemicals Factory. Please follow all safety guidelines and use appropriate personal protective equipment (PPE) during handling and application.

- Wear appropriate PPE: gloves, safety goggles, protective clothing
- Store in cool, dry place away from direct sunlight
- Keep containers sealed when not in use
- Refer to product-specific MSDS for detailed safety information

## Partnership & Distribution

Gulf Elite is the exclusive Gulf partner for Vital Chemical, bringing 50 years of Australian innovation to the region. All Vital Chemical products are backed by extensive research and field testing across global markets.

## Certifications
